Related Work: <https://wdrv.it/8f3204145>

April '19 – present

Senior Editor, Manhattan Place Entertainment Inc., New York City

Editorial projects for this award winning Production Company vary from Lead Editor 'The Daily Show: Global Edition with Trevor Noah' weekly series, to Finishing and Color Correct for CBS Sports series 'The Chef's Classic', to the creative edit for 'Trouble In Paradise' music video.

January '08 – April '19

Senior Editor, Reveal42, Inc., New York City

Lead Editor on long-term collaborative projects and campaigns including weekly promos and roll-ins for CBS Sports, weekly Opens for NASCAR on ESPN and weekly promos for Sunday Night Baseball on ESPN. Many projects, like the Open for ABC's Indianapolis 500 coverage, require collaboration with DP's and VFX/Animation artists as well as managing file-based workflow through multiple systems.

July '99 – July '07

Senior Editor, Sony Music Studios, New York City

Lead Editor on large-scale projects involving multiple editors and support staff. Manage media and broadcast deliveries, creative design and content editorial. Finishing Online Editor for series including HBO's 'Real Sex', 'CRIBS' on MTV and Opens for 'Monday Night Football' on ABC. Other projects included multi-camera concerts like MTV's 'Unplugged', segments for 'The Daily Show with Jon Stewart' and Opens for ABC's 'Who Wants To Be A Millionaire?'

May '96 – July '99

Staff Editor, Sony Music Studios, New York City

Focused on promos, concerts and marketing presentations for Sony artists and Labels. Edited shows and promos for ABC Sports, MTV, VH1, Nickelodeon, Comedy Central and PBS.

March '95 – February '96

Editor, WNBC, New York City (NABET)

Editor for News and Sports: 6 and 11pm weekend newscast.

January '93 – May '96

Editor/Business Manager, Broadcast News Networks

Saratoga Springs/New York City, New York

Managed production operations for a small program development and production company. Part of creation team and Lead Editor for award winning series MTV News 'Unfiltered'. Edited weekly news-magazine 'Broadcast New York' as well as documentaries for A&E. Removed and re-built two edit suites and entire computer network when BNN moved all operations to New York City.

December '91 – January '93

Operations Manager, Duplication/Assistant Editor

Classic Worldwide Productions, Cleveland, Ohio

Managed staff of six and 24/7 operations at full service duplication facility including weekly dubbing and distribution of syndicated programming, commercials and large volume VHS orders. Linear and non-linear Assistant Editor working with one of the first Avid systems released.

February '91 – December '91

Tape Operator/Production Assistant

Classic Worldwide Productions, Cleveland, Ohio

Worked in duplication at full service production facility handling all tape formats including standards conversion. Served as PA on various studio and location shoots.
